

# TEAM MEETING MANAGEMENT

## TIRED OF UNPRODUCTIVE MEETINGS THAT DON'T DRIVE RESULTS?

Are you and your team struggling with the many challenges typical team meetings face – lack of a clear agenda, discussions that go off on tangents, focusing too much on operational issues, and rarely ending on time? If so, then the Management Team Management (MTM) process is your solution.

## THE MTM PROCESS KEEPS TEAMS ALIGNED ON GOALS

KerrHill's Management Team Meeting system solves these common team meeting challenges. It utilizes a simple process to ensure team meetings are goal focused, action item based, hold team members accountable to their action items, and drive team results.
