

COMMUNICATION SKILLS PROGRAM

IMPROVE COMMUNICATION EFFECTIVENESS

The DISC Behavioral model and assessment have become one of the most popular and widely-used tools to help companies, individuals and teams improve communication, interaction, and productivity in the workplace.

UTILIZE DISC IN YOUR WORKPLACE

By investing in this Communication Skills workshop, you will not only learn how to effectively communicate and interact with other personality styles, but will have a strong awareness for your own behavioral style and preferences.

You will gain personal insights into your behaviors and motivators through a personal DISC assessment and debrief, and leave with tips and an action plan to overcome behavioral roadblocks.
