

DISC COMMUNICATION PROGRAM

IMPROVE COMMUNICATION EFFECTIVENESS

The DISC Behavioral model and assessment has become one of the most popular and widely-used tools to help companies, individuals and teams improve communication, interaction, and productivity in the workplace.

UTILIZE DISC IN YOUR WORKPLACE

By investing in KerrHill's four-hour DISC workshop, you will not only learn how to effectively communicate and interact with other personality styles, but will have a strong awareness for your own behavioral style and preferences.

You will gain personal insights into your behaviors and motivators through a personal DISC assessment and debrief, and leave with tips and an action plan to overcome behavioral roadblocks.
