

MANAGEMENT FUNDAMENTALS PROGRAM

REFINE YOUR MANAGEMENT SKILLS

Whether you are a first-time manager, or have been in management and want a one-day course on the fundamentals of management, then this course is right for you!

This program provides you with the essential fundamentals of what it means to be a great manager.

HAVE GREATER IMPACT AS A MANAGER

You will learn how to excel in the six key areas of management; communicating, planning, organizing, staffing, controlling, and leading.

Understanding how to develop skills in these six areas will help you achieve a higher level of personal growth, job performance and career success.
